GUIDE TO THE TRANSCRIPT OF RECORD

This transcript comprises a record of all work taken by the student through University of California Irvine, Division of Continuing Education (UCI DCE), except for any taken prior to September 1967. Course work taken prior to that date is stored and maintained by UCLA Extension (P.O. Box 24901, Dept. K., Los Angeles, CA 90024-0901, (310) 825-3708).

Course Numbering:

Course numbers issued by UCI Division of Continuing Education are classified as follows:

1 - 99	Lower Division
100 - 199	Upper Division
200 - 299	Graduate Level (Concurrent Enrollment only); requires a Bachelor's degree and consent of instructor
300 - 399	Professional credit courses in Education
400 - 499	Professional credit courses in fields other than education
700 - 799	Special enrichment courses for participants of precollege age
800 - 899	Non-credit courses. Many offer Continuing Education Units (see below)

Course Number Prefixes:

"X"	Courses offered only through Continuing Education
"XIC"	Courses offered through Concurrent Enrollment on the Irvine Campus *
"XI"	Courses offered through Continuing Education that are equivalent to that of main campus

Our entire program, course by course, is approved by the chairperson of an appropriate academic department and/or the Dean of an appropriate school of this campus. This scrutiny is in addition to that given by the Director of Continuing Education.

X300-Series courses: Professional Credit Courses in education; require employment as a teacher, teaching credential or equivalent background, unless otherwise noted.

X400-Series courses: Professional Credit Courses in fields other than education. Designed to provide professional credit for purposes of career or salary advancement and are recognized in business, industry, government, school districts, the professions and the arts. May or may not lead to an award such as a certificate.

800-Series courses: Non-credit Courses; many offering Continuing Education Units (CEUs). The CEU is a means for measuring and recording non-credit postsecondary-level study, useful where employers, relicensure agencies and other authorities require a specified number of hours of instruction for career advancement, and where non-credit study is acceptable. One CEU is awarded for ten contact hours of participation; less than ten hours are shown as fractional CEU.

* XIC Courses: These are regular UCI courses. Since students enrolled in XIC courses are not matriculated, their records are kept and maintained by UCI DCE. Students planning to use such courses to satisfy any UCI (or UC) requirements should first consult with and secure prior approval from the academic dean or chair of their major. Whether these courses are applicable to a degree program at UCI is subject to approval of the student's academic department. Units earned through Concurrent Enrollment may appear as transfer units but grades are not used in calculating the UC GPA. Students should consult with their institution regarding the transferability of units.

Applicability to a Degree Program: UCI Division of Continuing Education is not defined as a degree granting institution. Students intending to transfer UCI DCE course credit towards fulfilling a degree at another college or university should verify acceptance of the units with that institution. We recommend to students that they obtain permission from their academic advisors before taking UCI DCE courses. Policies vary and each institution reserves the right to determine the appropriateness of a candidate's previous work.

All credit is offered in quarter system units; semester equivalents are calculated below:

<i>Quarter:</i>	1	1 1/2	2	3	4	5
<i>Semester:</i>	2/3	1	1 1/3	2	2 2/3	3 1/3

To Test for Authenticity: The face of this document has the University Seal in blue ink. When photocopied, this seal will not duplicate.

SCHOLASTIC NOTATIONS

Effective spring quarter 1969, the Irvine campus deleted all scholastic notations from students' official records. Beginning fall quarter 1979 "Academic Disqualification" or "Dismissed" has been noted on appropriate student records.

The notation "Deans Honor List" was introduced spring quarter 1972 for undergraduate students who complete 12 or more graded units in a quarter with a GPA of 3.500 or better.

Beginning winter quarter 1970, courses completed by "Limited" status students were at the post baccalaureate level.

An I grade (Incomplete) assigned fall 2010 and after will convert to an F, NP, U, as appropriate, when coursework is not satisfactorily made up by the student.

PROBATION

Undergraduate students are normally subject to academic probation if at the end of any quarter their grade point average for that quarter, or their cumulative University of California grade point average, is less than 2.0.
